Automatic Backup

Transformer for External Hard Drives

The EASIEST computer backup

- Transform any external USB hard drive into an award winning Clickfree backup
- Automatic backup of your Windows or Mac computers
- Easiest totally automatic computer restore
- No software to set up or install

Know that all your computers are backed up and safe.

Connect the Clickfree adapter to your computer, then connect your USB hard drive to the Clickfree adapter and the backup starts automatically. Change hard drive capacity as your needs change, simply by interchanging the hard drive connected to the Clickfree. All your photos, music and files are fully protected and safe.

Automatic Backup · Password Protection · Photo Viewer · CD/DVD Archiver · Easy Upgrade

For Windows & Mac
Home and Office Use

Never worry about backing up again!
